Sarah McGrew

BRRRR! It's January and the crazy Texas weather is back! The frigid, below freezing temps of just a few weeks ago, reminded me of my years growing up in New England and my assignments around the globe while on active duty with the Air force for 28 years. This week temps are back in the 70's! Let's make sure we enjoy these good days before the heat of summer is upon us!

I'd like to wish all our members a happy New Year, and particularly thank everyone who attended our annual Christmas luncheon last month. We had a great program of good food, engaging conversation with friends, and fun with our holiday music sing-a-long program. We also appreciated the beautiful voices of the Alamo Chorus ladies, including one of our former members, Cinda Crews.

Special thanks go to our registrars who ably aided in distributing the many door prizes to our winners. The variegated poinsettias selected by our wonderful hospitality ladies were especially beautiful. They also did a wonderful job expediting the luncheon service.

Our amazing 2d VP for Programs, Peggy Peterson, did an absolutely marvelous job in pulling everything together to give us an "affair to remember"!

I hope to see many of you at our next meeting on Wednesday, January 18, in our regular space and at our regular time. Stop by, and "let's talk"!

NSARTA HEARTS FOR JANUARY Michelle Bibb

January is off to a “freezing” start but our “Hearts of NSARTA” are warm and friendly. Their smiles can light up the room and their laughter is infectious. This month we honor Sarah McGrew and Harold Black.

Harold Black I know everyone knows who Harold Black IS but how much do you really know about him? Harold was born in Wilburton, Oklahoma. His family moved around a great deal while he was growing up, living in Kentucky, Florida, Arizona, Oklahoma, and Texas. He graduated from Wichita Falls High School and has attended his 50th and 55th high school reunions. He received his Bachelor’s and Master’s degree (History and Government) from Midwestern State University in Wichita Falls. Harold’s first teaching job was as a Teaching Assistant in the History Department at University of Colorado while also subbing in a local school district at the same time.

In 1970 Harold joined the Army and rose to the rank of Lt. Colonel. He was a member of FAO (Foreign Area Officer). An FAO is an officer who is a regionally focused expert in political-military operations. His focused area was Latin America. During his 22 years in the military, he lived in Panama, Korea, Mexico, and Germany. In 1992, he began teaching History, Geography, and Government in NISD at Marshall High School, retiring in 2009.

Harold met his wife Nancy when they both sang in the choir in college. He was a senior (President of the choir) and she was a freshman. Two years later, they married and moved to Colorado. Nancy retired from teaching after 23 years in the classroom with most of those years in NEISD. They have one daughter and 3 grandchildren living in Austin. Harold and Nancy celebrated their 50th Anniversary last year.

The Blacks love to travel. They have taken several cruises to the Mediterranean and Alaska and have toured Russia, Jerusalem, Cairo, and Australia. This fall they plan to travel to Australia and New Zealand.

As you know, he has many NSARTA jobs – 1st Vice President, Historian, Webpage, District 20 Webpage, and Membership Chairman. He and Nancy are active in KEYS (Keeping Everyone Young in Spirit) through their church. They tutor 2nd graders once a week in a SAISD AND, he’s also President of his HOA. Harold, we are so proud you are such an active member of NSARTA!! Thank you, thank you, THANK YOU!

Sarah McGrew wants us to know she has had a wonderfully blessed life. She was born in Navasota, Texas and attended elementary, middle and high school there. After high school, she attended Prairie View A&M and graduated with degrees in Home Economics and Elementary Education. She then moved to Baytown, Texas and taught 2nd grade in the Goosecreek ISD for 15 years.

Sarah met her husband through a teacher friend in Baytown who had known him since childhood. She knew he was a good man because she said her friend would have NEVER introduced them if he wasn’t good enough for her. In 1966 they married and moved to San Antonio. She taught 2nd grade at East Terrell Hills Elementary in NEISD. Sarah retired in 1982 for a total of 31 years as a public school teacher. On August 6, 2016, the McGrews celebrated their 50th anniversary. Mr. McGrew retired several years ago from civil service. They have 2 sons, 2 grandsons, and 1 great grandson all living in the Houston area. According to Sarah, she is surrounded by great men/boys.

Sarah and her husband have always enjoyed travelling. They have visited Colorado, Washington, D.C., Taiwan, Saigon, Switzerland, and Australia. She also enjoys cooking but doesn’t get to do much of that anymore. Her favorite thing to make is German Chocolate Cake. Her favorite restaurants in San Antonio are Red Lobster and Olive Garden. Sarah says she doesn’t like to watch television UNLESS the Spurs or Dallas Cowboys are playing. Over the years, she has enjoyed

Sarah McGrew continued-

going to Spurs games and really likes David Robinson and Tim Duncan. She feels, as many of us do, these 2 men are great representatives of San Antonio.

When she retired in 1982, she joined NSARTA and has been an active member all these years. She has served many years as our Registrar. She never failed to smile at members as they signed in for each meeting. She is VERY active at Mt. Zion First Baptist Church. Her husband is a Deacon there and has been chairman of the Finance Committee for many years. They have taught Sunday school for over 40 years. In fact, she said she began teaching Sunday school 3 months after she graduated from Prairie View.

She is blessed to have many friends, one of which is NSARTA's own, Margie White. They have been friends since meeting at Prairie View as freshmen. After graduation, they went their separate ways but rekindled their friendship when Sarah moved to San Antonio where Margie was teaching..

Sarah turned 90 on October 9, 2016. Because of her husband's health, they have recently moved to Memory Care of Westover Hills in San Antonio. Their address is 10910 Town Center Drive, SA, 78251, Unit #308. I asked how they were doing and she replied in her always positive way, "We are adjusting, it's an adjustment, you know". I know she would appreciate getting a card from you to let her know we are thinking about her. Bless you, Sarah!!

LEGISLATIVE/FOUNDATION *Carlos Ortiz*

The first day of the Legislative Session in Austin was January 10, and over a thousand bills have been introduced. Some of the bills will not make it out of committee. It was a fun day meeting legislators from District 20. Committee assignments will be made final in early February. As retirees we must be ready to defend the Defined Benefit and contributions rates as stated in SB 1458 for our TRS Pension Fund. With the change in the administration in Washington, the Health-Care is in a turmoil from DC to Austin. In my statement last month, I wrote that the Interim Health Committee in Austin recommended that the increase in Health-Care costs be passed to the consumer. We need to stay tuned and advocate for the best health plan.

KICK-OFF 2017 WITH NSARTA!

Our 2017 resolution is to bring retired teachers together for fun, fellowship, knowledge and new experiences. This month we will get to know each other better with Zip Code Bingo and gather input from members about their interests and ideas for future programs and Meet-Ups. Don't miss this chance to meet, greet and share! We meet at **San Pedro Presbyterian Church, 14900 San Pedro Ave., 78232. Snacks are served at 9:45 a.m. and the meeting begins at 10:00 a.m. Come join us!**

(More details to follow on January 18.)

Happy Holidays to All My NSARTA Friends!!!

CORRESPONDING SECRETARY Barbara Yates 494-6444

A card was sent to Kathy Phillips, who had hip surgery. We wish her well and a speedy recovery. A note of encouragement was sent to Sarah McGrew, as she and her husband move into an assisted living facility.

MEMBERSHIP Harold Black

We are still looking for and need more renewals and new members. We will begin our membership drive for next year in February, 2017. Please talk to your friends and those who will be retiring and encourage them to join us. Refer to the pages below on Members of TRTA in our area. They are not all members of a local group. You might want to use the contact information given to invite them to join NSARTA.

I want to encourage each of you to log on to the NSARTA website. It is so easy. All you do is:

Open your internet browser and type in <http://www.localunits.org/NSARTA>. The http:// is not even needed. the computer will add that for you.

We are grateful to Eddy English for volunteering to serve as photographer.

COMMITTEE REPORTS

NOTIFICATION COMMITTEE Michele Bibb 494-8197

Did you know that you can catch up on NSARTA News in several ways? Most of our members receive our Newsletter each month. Betty Moseley compiles reports and board member articles into a newsletter format and then emails this information to members. For those without email access, the Notification callers (Anita Oberle, Margaret Bates, Frances Garcia, Janet James, Debbie Moulton) make monthly calls to members sharing information about the upcoming monthly meeting and any other important events. NSARTA also has a Face Book page with information about "NSARTA NEWS". If you have NSARTA information/pictures you would like to have posted on FB, let me know. I will be happy to do that. If you haven't seen our FB page, go to Facebook.com and search North San Antonio Retired Teachers Association to check it out. Another way you can find NSARTA information is to search NSARTA on your browser and it takes you to our home page. Harold Black does an AMAZING job of updating our webpage with information and lots of pictures. We also send articles to "Welcome Home Magazine" and "Local Community News" with information about our unit and upcoming meetings. Even though we are using all these different methods of promoting NSARTA, we still need YOU to "get the news" out to retired educators. Let your fellow retired teacher friends know what a wonderful organization NSARTA is, encourage them to be more active in TRTA and most importantly, bring them to one of our meetings.

REGISTRATION Pat Loewe, Eddy English

The registration desk keeps a record of each person who attends. They also distribute name tags and furnish every attendee with a raffle ticket for a drawing at the end of meetings. Be sure to stop by the registration desk and sign in, as you enter each meeting.

HOSPITALITY Michele Bibb, Barbara Rothe 380-8150, Linda Nolder 490-1035

Don't forget to sign up to bring refreshments for our February meeting. The signup sheet is in the foyer of the church ... and remember we need 6-7 members to provide treats for each meeting. You know how teachers are, we'd love anything you'd like to bring. If you have already brought refreshments and want to help again, we appreciate your generosity. You will receive a "reminder" call before the February meeting about bringing refreshments..

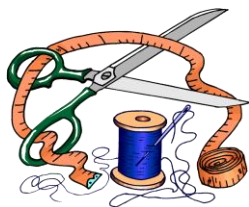

CHILDRENS' BOOK DRIVE Nancy Dooley, Pat Loewe, Carolyn Varian

A very special thank you to everyone who donated books and/or money to NSARTA's 2016 Children's Book Project. It is your generosity that makes this project so successful. 650 books were donated to children who otherwise might not have a book to call their own. This number will be reported to TRTA so NSARTA will be recognized for our participation in this statewide project. Harold Black took pictures during our distribution at Passmore Elementary School and put them on our web page.

Please take the opportunity to participate in this project and bring your book (new or very gently used) or cash donations to the meeting on Wednesday, January 18th. Baskets for donations will be at each table and at the Registrar's table. Each donated book will have a bookplate identifying it as a gift from TRTA and NSARTA. If you would like to participate in this project but cannot attend the meetings and/or would like more information, please contact us. Thank you in advance.

STITCHERY Ledru Barker

The Stitchery group has been busy making afghans, wheelchair bags, and pillows for the VA Hospital. We delivered 362 pillows, 54 bags, and 19 afghans. If you would like yarn to make wheelchair lap blankets even if you cannot make it to our meetings, please contact Ledru Barker at 210-289-3554.

VOLUNTEERING

Sue Winebrenner, 8615 Espanola Dr. Helotes, Tx. 78023

If you have not yet filled out your volunteer hour sheet, there is one in this newsletter you can download, fill in, and give it to me at our meeting or mail it to me. I'll need it before the end of January.

TRTA Community Volunteer Service Committee

Individual Hours of Community Volunteer Service

Submit by FEBRUARY 1 to Local Unit Community Volunteer Service Committee Chairman

HOURS TO BE REPORTED FOR TIME PERIOD JANUARY 1 THROUGH DECEMBER 31
Maximum of 12 hours per day

Remember:

1. Volunteer hours may be counted for any service that is provided without pay to an individual or group.
2. Record hours spent in volunteer work from the time you leave home until the time you return. Also count the time you spend preparing to do the volunteer work, i.e., preparing a speech or baking cookies.
3. Combine all volunteer hours regardless of type of service performed.
4. Make a habit of recording the activities on a regular basis. A calendar is ideal for keeping track.

Dear Texas Legislator,

During the 84th Legislative Session, we proved that when we work together great things are possible. Now, Texas public education retirees are facing a frightening reality, one that they cannot afford to bear: a nearly \$1.5 billion shortfall to the TRS– Care retiree health insurance program.

The interim study group on TRS–Care released their report in November. The suggestions in the report demonstrate what may happen to retirees living on fixed incomes! Retiree premiums are at risk and benefits could be reduced drastically! We must work together now to find long–term solutions for our much needed health care plan.

As you know, I paid into TRS–Care as an active employee. Active school employees and school districts pay into TRS–Care to help support the program’s revenue stream. Today, I pay my premium and out–of–pocket costs. In fact, in September, my co– pays increased. Did you know that retiree premiums and out–of–pocket costs account for more than 35% of the revenue for TRS–Care? TRS–Care participants and active school employees already pay a fair share for their health care costs.

What we need is a greater state budget commitment for this vital program. I need your support, for myself and thousands of other retired school employee constituents and TRS–Care participants in your district. We must be able to afford our health care and we do not want our benefits slashed.

Please work with the Texas Retired Teachers Association (TRTA) and its legislative team to save TRS–Care and develop a long– term plan so that retirees do not have to fear losing this vital retirement benefit.

My personal letter is below. Thank you for your service in the Texas Legislature and for representing me on this important issue.

January - Cervical Health Awareness Month

About 79 million Americans currently have HPV. Many people with HPV don't know they are infected. And each year, more than 11,000 women in the United States get cervical cancer.

The good news?

The HPV vaccine (shots) can prevent HPV.

Cervical cancer can often be prevented with regular screening tests (called Pap tests) and follow-up care.

Cervical cancer screenings can help detect abnormal (changed) cells early, **before** they turn into cancer. **Most deaths from cervical cancer could be prevented by regular Pap tests and follow-up care.**

How can Cervical Health Awareness Month make a difference?

We can use this opportunity to spread the word about important steps women can take to stay healthy.

Here are just a few ideas:

Encourage women to get their well-woman visit this year.

Let women know that most insurance plans must cover well-woman visits and cervical cancer screening. This means that, depending on their insurance, women can get these services at no cost to them.

Talk to parents about how important it is for their pre-teens to get the HPV vaccine. Both boys and girls need the vaccine.

Avoiding risk factors and increasing protective factors may help prevent cancer.

Avoiding cancer risk factors may help prevent certain cancers. Risk factors include smoking, being overweight, and not getting enough exercise. Increasing protective factors such as quitting smoking and exercising may also help prevent some cancers. Talk to your doctor or other health care professional about how you might lower your risk of cancer.

About PDQ

Physician Data Query (PDQ) is the National Cancer Institute's (NCI's) comprehensive cancer information database. The PDQ database contains summaries of the latest published information on cancer prevention, detection, genetics, treatment, supportive care, and complementary and alternative medicine. Most summaries come in two versions. The health professional versions have detailed information written in technical language. The patient versions are written in easy-to-understand, nontechnical language. Both versions have cancer information that is accurate and up to date and most versions are also available in [Spanish](#).

PDQ is a service of the NCI. The NCI is part of the National Institutes of Health (NIH). NIH is the federal government's center of biomedical research. The PDQ summaries are based on an independent review of the medical literature. They are not policy statements of the NCI or the NIH.
