March's program was devoted to discussions of the proposed amendments to the TRTA constitution. Paul Cwiklik had a hand out with the 4th, 5th, and 6th proposals which all dealt with raising the TRTA dues. Only the 4th Amendment was acceptable to our members. It would raise the state dues from \$25.00 to \$33.00. However, it would not provide for two rates like the 5th proposal or centralize the process like the 6th proposal.

Paul Cwiklik presented information on proposed amendments to TRTA constitution.

Mary Kay Tennant in blue and Dorothy Scott, her assistant, cater our meals.
