

On-Going Projects of C-FB

RSPA

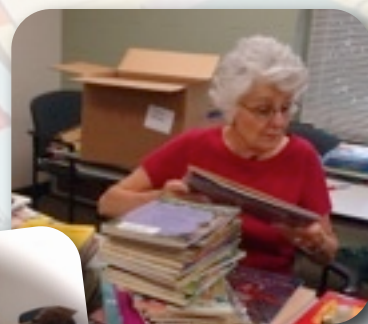

Children's Book Project

Children's Book Project—The Children's Book Project is a service activity carried out by Local Units of the Texas Retired Teachers Association. In C-FB, books are purchased with funds raised or donated by our RSPA members throughout the year. Books are presented to elementary school students and then belong to the individual students, theirs to take home, read and keep.

Thanks to the donations of CFB-RSPA members, and a special donation from CHRISTUS St. Joseph Village we were able to purchase 2200 books to donate to C-FB school children in 2013.

After purchases were completed, RSPA members met to sort and label the books. They were then delivered to Davis, Good, Farmer's Branch and Furneaux Elementary Schools to be given to students for them to take home, read, and OWN.

Volunteers take time to buy, sort, label and deliver books to schools.
