Sherri Driscoll, the Alamo Museum Educator, made our April meeting informative and entertaining. She has worked at the Alamo for several years and given many presentations on its history and legends. Sherri’s talk was filled with fun facts to know as well as information separating history from images gained from movies.

Beverly Jefferson was joined by her sister Frances Lanier

Barbara Yates and Prudy Montgomery

Betty Bain and Frances Garcia

Mary Kay Tennant, David Hogue, Charles Carr and Lee Carr
The presentation on the Alamo during Fiesta week was very appropriate and enjoyed by all who attended the meeting.
